RESIDENTIAL SUBDIVISION

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To create liveable and sustainable neighbourhoods and urban places with character and identity.

To achieve residential subdivision outcomes that appropriately respond to the site and its context for:
- Metropolitan Melbourne growth areas.
- Infill sites within established residential areas.
- Regional cities and towns.

To ensure residential subdivision design appropriately provides for:
- Policy implementation.
- Liveable and sustainable communities.
- Residential lot design.
- Urban landscape.
- Access and mobility management.
- Integrated water management.
- Site management.
- Utilities.

Application

These provisions apply to an application to subdivide land in the Neighbourhood Residential Zone, General Residential Zone, Residential Growth Zone, Mixed Use Zone or Township Zone and any Comprehensive Development Zone or Priority Development Zone that provides for residential development.

These provisions do not apply to an application to subdivide land into lots each containing an existing dwelling or car parking space.

Operation

The provisions of this clause contain:
- **Objectives.** An objective describes the desired outcome to be achieved in the completed subdivision.
- **Standards.** A standard contains the requirements to meet the objective.

A standard should normally be met. However, if the responsible authority is satisfied that an application for an alternative design solution meets the objective, the alternative design solution may be considered.

Requirement

An application to subdivide land:
- Must be accompanied by a site and context description and a design response.
- Must meet all of the objectives included in the clauses specified in the zone.
- Should meet all of the standards included in the clauses specified in the zone.
Certification of standards

A subdivision may be certified by a person authorised by the Minister for Planning as meeting the requirements of a standard in this clause.

A standard that is certified as met is deemed to have met the objective of that standard.
