INCORPORATED PLAN OVERLAY

Shown on the planning scheme map as IPO with a number.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To identify areas which require:
- The form and conditions of future use and development to be shown on an incorporated plan before a permit can be granted to use or develop the land.
- A planning scheme amendment before the incorporated plan can be changed.

To exempt an application from notice and review if it is generally in accordance with an incorporated plan.

Requirement before a permit is granted

A permit must not be granted to use or subdivide land, construct a building or construct or carry out works until an incorporated plan has been incorporated into this scheme.

This does not apply if a schedule to this overlay specifically states that a permit may be granted before an incorporated plan has been incorporated into this scheme.

A permit granted must:
- Be generally in accordance with the incorporated plan, unless a schedule to this overlay specifies otherwise.
- Include any conditions or requirements specified in a schedule to this overlay.

Exemption from notice and review

An application under any provision of this scheme which is generally in accordance with the incorporated plan is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

Decision guidelines

Before deciding on an application under any provision of this scheme which is not generally in accordance with the incorporated plan, in addition to the decision guidelines in Clause 65, the responsible authority must consider:
- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The incorporated plan.
- Any other matters specified in a schedule to this overlay.

Preparation of the incorporated plan

The incorporated plan may consist of plans or other documents and may, with the agreement of the planning authority, be prepared and implemented in stages.
An incorporated plan that provides for residential subdivision in the Residential 1 Zone, Residential 2 Zone, Residential 3 Zone, Neighbourhood Residential Zone, General Residential Zone, Residential Growth Zone, Mixed Use Zone, Township Zone, Comprehensive Development Zone and Priority Development Zone must meet the requirements of Clause 56 as specified in the zone.

The incorporated plan must describe:

- The land to which the plan applies.
- The proposed use and development of each part of the land.
- Any other requirements specified for the plan in a schedule to this overlay.

**Notes:** Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of land.

Check the requirements of the zone which applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
